

The Moe

Vest Jacket pattern for Pups

I love the look of a vest and collar on Moe. I made him a Vest Jacket for the holidays and for when company comes over. Easy Pattern and easy to sew 😊

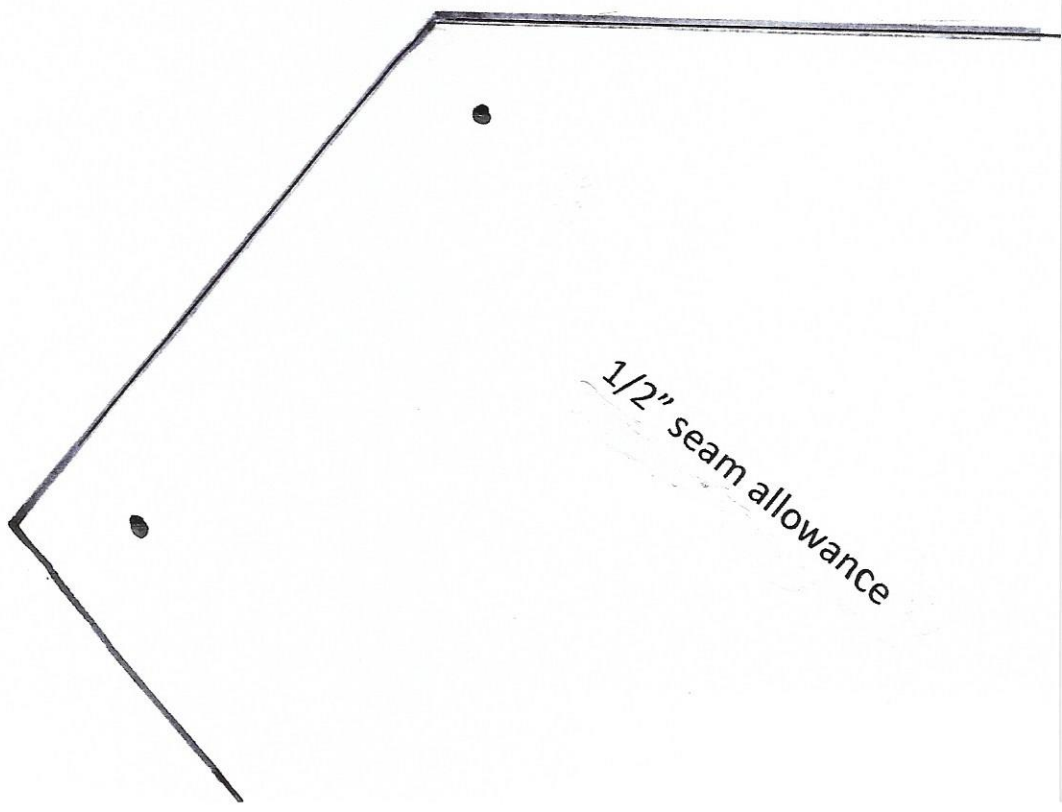

Size – This pattern is made for a medium sized dog weight about 45/50 pounds. It connects under the chest and has lots of room to grow.

Watch the video for the instructions. Tape the pattern together, edge to edge, not overlapped.

You will need: 45" wide fabric you need $\frac{3}{4}$ of a yard and $\frac{3}{8}$ of a yard for the collar.
Interfacing for the collar and 3 buttons and Velcro.
